**Fee Contract:** Dr. Schwartz does not accept insurance. You are responsible for payment in cash or check for each session at the time of the session. Nevertheless, you may decide to submit claims to your insurer for psychotherapy services rendered by an out-of-network psychiatrist. When you schedule a session with Dr. Schwartz, that hour is leased to you and to no one else. Cancellations of sessions must be made more than 24 hours in advance of the session, otherwise you will be held responsible for the fee, since Dr. Schwartz may not be able to fill that hour on such short notice. Failure to pay in a timely manner may result in termination of psychotherapy services.
